SALE RESTRICTED TO ADULTS ONLY

MALE POSE

"These Male Pose Studies should prove valuable to the beginner as well as the advanced artist. They offer photographic text of form, symmetry, style, lighting and composition. They are designed to instruct and illustrate the artistic possibilities to the commercial artist and photographer who strive for variety in their work at a minimum expense for the service of models. They are also intended as an aid to the student in need of inexpensive guides and photographic models, either preliminary to or in conjunction with formal art school instruction"

"NOT TO BE SOLD TO MINORS"
